HomePride Ranks No. 106 on the 2022 Inc. 5000 Annual List and as America's fastest-growing home improvement company

CENTENNIAL, CO, AUGUST 26, 2022 (PRWEB) AUGUST 26, 2022

Inc. magazine revealed that HomePride is No. 106 on its annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. The list represents a one-of-a-kind look at the most successful companies within the economy's most dynamic segment—its independent businesses. Facebook, Chobani, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

The companies on the 2022 Inc. 5000 have not only been successful, but have also demonstrated resilience amid supply chain woes, labor shortages, and the ongoing impact of Covid-19. Among the top 500, the average median three-year revenue growth rate soared to 2,144 percent. Together, those companies added more than 68,394 jobs over the past three years.

"There are no words to describe how proud I am of this team. No matter what has been thrown at us we never lost sight of our core values, our customer focus, or our business goals. To be recognized for these honors and to see the company we are in is humbling. We want to be the touchstone of how home improvement companies run their business and treat their clients. I cannot wait to see what the future holds," stated Matt Colligan, owner, and CEO of HomePride.

In addition to the Inc. 5000 accolade, HomePride was chosen as a 2022 Top 500 remodeler by the Qualified Remodeler editorial staff for meeting a set of criteria including installed remodeling dollar volume, total years in business, industry association membership, industry certification, industry awards, and community service. This solidifies HomePride's place as Colorado's Largest bathroom-only remodeler ranked by Qualified Remodelers Top 500 Magazine.

"In 2022 we expanded our services and product line beyond the Colorado border. This growth during these historically trying times is only possible by a passionate team engaged in the culture of the business and in the prime goal of serving our clients with excellence at every step of the process. I am not surprised to see HomePride so high on the lists." states Al Norton, VP of Sales.

About HomePride

HomePride was founded on the principles of striving to create the most curated and well-planned home improvement experience possible. Our goal is to help our clients live with grace by providing products and installations that are hassle-free and uncommon in today's marketplace. HomePride is a blend of 25 years of home improvement experience and a window into the construction industry through the eyes of the consumer. The culture within HomePride is what has driven them to see the type of success they have had over the last three years. The culture at HomePride and associated company values are what drive their decision-making and what will continue to drive their success as they move forward.
